

FAMOUS50 CLUB™

Dear Prosperity Seeker,

We would like to extend a special invitation to you to join the Famous50 Club™. We are a group of like-minded and honest people who “think outside the box” when it comes to generating income. We reject the cheap, illegal, and useless programs that you customarily get in your mailbox. We have banded together for the mutual success of all Famous50 members. Our mission is to help each other prosper in these difficult and stressful times of financial lack and economic uncertainty. With our simple Famous50 system we have created a great opportunity which is designed to be fail-proof where other cash-generating systems either cost too much or cannot sustain momentum.

Our system is affordable for anyone to join. There is no monthly contribution required from you. Once you join with your one-time payment of \$50 sent to one person, no further payment is needed.

There is no monitoring fee. The business entity which created Famous50 is not only offering it to you at a minimal cost, but is also pledging to contribute 40 first-class stamps to help guarantee success for each and every member.

Our system is secure. Each member of the Famous50 Club™ will get a unique ID number attached to his or her account; no one can join without an official Famous50 ID number appearing on the sign-up form, and this ID number is always checked to be sure it correctly reflects the person receiving credit for the sign-up. In addition, all payments go directly to the designated cash recipient, never through the Famous50 office.

Our system costs almost nothing to promote; we are asking each Famous50 member to find only three people who want to join the Famous50 Club™. Most of us can find three interested people simply by talking to friends, neighbors, and family! Naturally, anyone can sign up more than three people, and if you do, you get even more cash.

The Famous50 system moves very rapidly. With only six positions on the list, members will advance quickly to the top where you'll receive hundreds of \$50 payments in the mail. If each member finds only three additional sign-ups, you will receive 729 payments of \$50, or a total of \$36,450.

You are able to rejoin Famous50 as often as you wish. This will multiply your income substantially.

Of special importance is this fact: All monies that come to you through the Famous50 Club™ are tax-free. Why? Because they are given to you as gifts. The IRS has special rules covering gift-giving; up to \$14,000 given to you by a single person in any tax year is tax-free. Our gifts are only \$50 each, but the same tax exemption applies.

To accept your invitation into the Famous50 Club™, follow the simple instructions on the sheet which is enclosed with this one.

If you have questions not covered on these two sheets, please get in touch with the Famous50 office either by email (usa1info@gmail.com) or by phone (612.239.0970). We have tried very hard, though, to be sure we have provided the answers you need in these two sheets. Any invitation to Famous50 should include both sheets. Website: **Famous50.Club**
