

# Gas-Cards.us

A great way to make your life so much easier, while you help others in the same way!

Next time you're in almost any store that handles gift cards – and most stores do today – pick up one \$25.00 gas card for each name you see below.

When you can, make sure you choose a card from a national business rather than from a strictly local fuel outlet. Walmart, Costco, or any of the national fuel companies offer gift cards these days. Or you can choose a generic gift card with a Visa or MasterCard logo on it, because those are accepted at almost any gas station or convenience store, too.

Make a copy of this flyer for each name below, and one more for the national Gas Cards office. Send a fuel card to each name on the list below, with the card placed inside this flyer. Address one more envelope with the Gas Cards office address shown below; you will then quickly receive by return mail

- Your own personalized Master Copy of this flyer, with your name shown as #1
- 120 top-quality direct mail names and addresses on peel 'n' stick labels
- Information on a special bonus program, using a method which is not only proven, but *failproof*

When you receive your Gas Cards Master Copy, make some copies to mail, plus some copies to simply give to friends, family, and neighbors. If we all introduce only 5 people\* to this program, watch what will happen:

Level 1: You will get \$125.00 in gas cards	
Level 2: You will get \$625.00 in gas cards	
Level 3: You will get \$3,125.00 in gas cards	TOTAL <b>\$19,500.00</b>
Level 4: You will get \$15,625.00 in gas cards	with only 5 people* each!

When you have more gas cards than you can possibly use, *then you can start giving them away with this flyer!* People will understand immediately how powerful the Gas Cards program really is when you hand them not just the details, but also a free \$25 fuel card that you're giving away because you have too many to keep and use all by yourself! Think of all the small business people who would love to know about the Gas Cards program to help keep their business vehicles on the road! Get started with us today! *\*Number of people you can introduce to Gas-Cards.us is UNLIMITED.*
